INDEPENDENT AUDITORS' REPORT

Honorable Robert R. Bryant
District Attorney of the
Fourteenth Judicial District
Calcasieu Parish
State of Louisiana

We have audited the accompanying general purpose financial statements of the District Attorney of the Fourteenth Judicial District, a component unit of the Calcasieu Parish Police Jury, as of December 31, 2002, and for the year then ended. These financial statements are the responsibility of the District's management. Our responsibility is to express an opinion on these financial statements based on our audit.

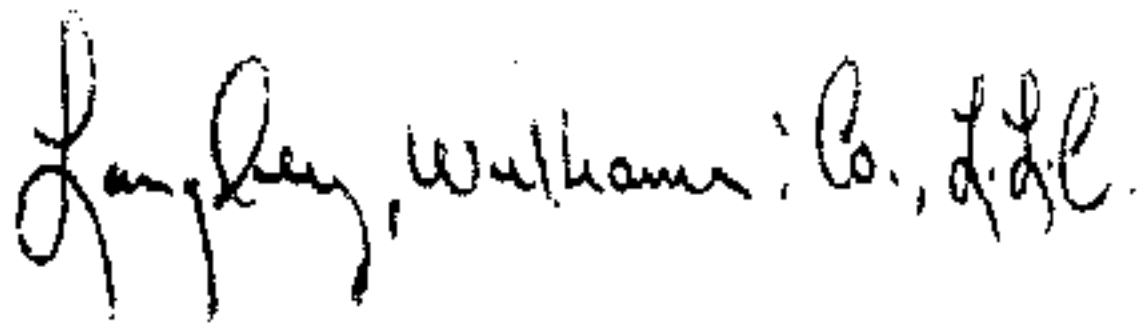

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the District Attorney of the Fourteenth Judicial District as of December 31, 2002, and the results of its operations for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued a report dated May 24, 2003, on our consideration of the District Attorney of the Fourteenth Judicial District's internal control over financial reporting and our test of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

Honorable Robert R. Bryant
District Attorney of the
Fourteenth Judicial District

Our audit was conducted for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the District Attorney of the Fourteenth Judicial District. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

District Attorney of the Fourteenth Judicial District
Parish of Calcasieu, Louisiana

NOTES TO THE FINANCIAL STATEMENTS

For the Year Ended December 31, 2002

NOTE 1 - INTRODUCTION

As provided by Article V, Section 26 of the Louisiana Constitution of 1974, the district attorney has charge of every criminal prosecution by the state in his district, and is the legal advisor to the grand jury. He performs other duties as provided by law. The district attorney is elected by the qualified electors of the judicial district for a term of six years. The judicial district encompasses the parish of Calcasieu, Louisiana.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. BASIS OF PRESENTATION

The accompanying general purpose financial statements of the District Attorney of the Fourteenth Judicial District have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles.

B. REPORTING ENTITY

As the governing authority of the parish, for reporting purposes, the Calcasieu Parish Police Jury is the financial reporting entity for Calcasieu Parish. The financial reporting entity consists of (a) the primary government (police jury), (b) organizations for which the primary government is financially accountable, and (c) other organizations for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete.

Governmental Accounting Standards Board Statement No. 14 established criteria for determining which component units should be considered part of the Calcasieu Parish Police Jury for financial reporting purposes. The basic criterion for including a potential component unit within the reporting entity is financial accountability. This criteria includes:

1. Appointing a voting majority of an organization's governing body, and
 - a. The ability of the police jury to impose its will on that organization and/or
 - b. The potential for the organization to provide specific financial benefits to or impose specific financial burdens on the police jury.

Parish of Calcasieu, Louisiana

NOTES TO THE FINANCIAL STATEMENTS

For the Year Ended December 31, 2002

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES-Continued

2. Organizations for which the police jury does not appoint a voting majority but are fiscally dependent on the police jury.
3. Organizations for which the reporting entity financial statements would be misleading if data of the organization is not included because of the nature or significance of the relationship.

Because the police jury financial statements would be misleading if data of the organization were not included because of the nature or significance of the relationship, the district attorney was determined to be a component unit of the Calcasieu Parish Police Jury, the financial reporting entity. The accompanying financial statements present information only on the funds maintained by the district attorney and do not present information on the police jury, the general government services provided by that government unit, or the other governmental units that comprise the financial reporting entity.

C. FUND ACCOUNTING

The accounts of the district attorney are organized on the basis of funds and account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprises its assets, liabilities, fund equity, revenues, and expenditures. The various funds are grouped by type in the financial statements. The following fund type and account group are used by the district attorney.

Governmental Fund Types:

General Fund

The General Fund was established in compliance with Louisiana Revised Statute 15:571.11, which provides that 12 per cent of the fines collected and bonds forfeited be transmitted to the district attorney to defray the necessary expenditures of his office.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES-Continued

Title IV-D Special Revenue Fund

The Title IV-D Special Revenue Fund consists of reimbursement grants from the Louisiana Department of Social Services, authorized by Act 117 of 1975, to establish family and child support programs compatible with Title IV-D of the Social Security Act. The purpose of the fund is to enforce the support obligation owed by absent parents to their families and children, to locate absent parents, to establish paternity, and to obtain family and child support. Effective September 9, 2002, the District Attorney terminated its contract with the Louisiana Department of Social Services and has eliminated this section from its office.

Worthless Check Collection
Fee Special Revenue Fund

The Worthless Check Collection Fee Special Revenue Fund consists of fees collected in accordance with Louisiana Revised Statute 16:15, which provides for a specific fee whenever the district attorney's office collects and processes a worthless check. Expenditures from this fund are at the sole discretion of the district attorney and may be used to defray the salaries and the expenses of the office of the district attorney but may not be used to supplement the salary of the district attorney.

Fiduciary Fund Type:

Agency Funds

The agency funds are used to account for assets held by the district attorney as an agent for other funds and/or other governments. Agency Funds are custodial in nature (assets equal liabilities) and do not involve measurement of results of operations. These funds are used to account for drug money seizures and bond forfeitures until such time as the court orders disposition of such funds to various agencies as required by law. Also, from time to time the drug fund may be used to hold money as evidence until such time as the seizing agency requests the money for its purposes.

Account Group:

General Fixed Assets Account Group

The General Fixed Assets Account Group is used to account for fixed assets used in governmental fund type operations. All fixed assets are valued at historical cost. No depreciation is recorded on general fixed assets.

D. BASIS OF ACCOUNTING

The accounting and financial reporting treatment of a fund is determined by its measurement focus. The governmental funds are accounted for using a current financial resources measurement focus. With this measurement focus, only current assets and current liabilities are generally included on the balance sheet. Operating statements of these funds present increases and decreases in net current assets. The modified accrual basis of accounting is used by the governmental funds. The governmental funds use the following practices in recording revenues and expenditures:

Revenues

Commissions on fines and bond forfeitures are recorded in the year they are collected by the parish tax collector.

Interest earned on investments is accrued under the modified accrual basis.

Substantially all other revenues are recorded when received.

Expenditures

Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred.

Other Financing Sources (Uses)

Transfers between funds, which are not expected to be repaid, are accounted for as other financing sources (uses), when the underlying event occurs.

E. BUDGET PRACTICE

The district attorney utilizes the following budget practices:

1. Formal budgeting integration is employed as a management control device during the year. Budgets are adopted on a basis consistent with generally accepted accounting principles.

District Attorney of the Fourteenth Judicial District
Parish of Calcasieu, Louisiana

NOTES TO THE FINANCIAL STATEMENTS

For the Year Ended December 31, 2002

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES-Continued

E. BUDGET PRACTICE - Continued

2. On December 1st of each year, a budget for the subsequent year is prepared for the general fund and the special revenue funds.
3. The district attorney approves the budgets and it is available for public inspection no later than fifteen days prior to the beginning of the calendar year.
4. Any budgetary amendments must be approved by the district attorney. During the year an amendment was made to the original budgets and is reflected in the budget comparison.
5. All budgetary appropriations lapse at year end.

F. ENCUMBRANCES

The district attorney does not use encumbrance accounting in the General Fund or Special Revenue Funds, but maintains adequate records to comply with budgets and to prepare budgetary reports.

G. CASH AND CASH EQUIVALENTS
AND INVESTMENTS

Cash includes amounts in demand deposits, interest-bearing demand deposits, and money market accounts. Cash equivalents include amounts in time deposits and those investments with original maturities of 90 days or less. Under state law, the district attorney may deposit funds in demand deposits, interest-bearing demand deposits, money market accounts, or time deposits with state banks organized under Louisiana law and national banks having their principal offices in Louisiana.

Under state law, the district attorney may invest in United States bonds, treasury notes, or certificates. These are classified as investments if their original maturities exceed 90 days; however, if the original maturities are 90 days or less, they are classified as cash equivalents. Investments are stated at cost.

Parish of Calcasieu, Louisiana

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES-Continued

H. FIXED ASSETS

Fixed assets used in the district attorney's office (governmental fund type operations) acquired by the Calcasieu Parish Police Jury are accounted for in the general fixed assets account group of the Calcasieu Parish Police Jury.

Fixed assets acquired with the use of the General Fund or Special Revenue Fund monies are accounted for by the general fixed assets account group of the district attorney and are presented in the financial statements. No depreciation has been provided on these assets. All fixed assets are valued at historical cost.

I. COMPENSATED ABSENCES

The district attorney has the following policy related to vacation and sick leave:

Employees of the district attorney's office accrue vacation leave at varying rates according to years of continuous service. Unused vacation leave is accumulated and carried forward from one year to the next up to a maximum of sixty days total, and then it must be used or forfeited. Upon termination of employment, an employee will be compensated for accumulated vacation time not to exceed twenty-five days, on parish portion of salary only.

Employees of the district attorney's office accrue 12 days of sick leave each year. Sick leave may be accumulated and carried forward from one year to the next up to a maximum of 180 days. No payment is made for accumulated sick leave upon termination of employment.

Employee benefits are paid from the Calcasieu Parish Police Jury. Accordingly, no liabilities are accrued in the district attorney's General Fund with respect to employee benefits.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES-Continued

J. TOTAL COLUMNS ON STATEMENTS

The total columns on the statements are captioned "Memorandum Only" to indicate that they are presented only to facilitate financial analysis. K. FUND EQUITY

These deposits (or the resulting bank balance) and investments must be secured under state law by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent. These pledged securities are held in the name of the pledging fiscal agent bank (GASB Category 3) in a holding or custodial bank that is mutually acceptable to both parties. The deposits (bank balance) and investments at December 31, 2002, were secured as follows:

District Attorney of the Fourteenth Judicial District
Parish of Calcasieu, Louisiana

NOTES TO THE FINANCIAL STATEMENTS

For the Year Ended December 31, 2002

REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Honorable Robert R. Bryant
District Attorney of the
Fourteenth Judicial District
State of Louisiana
Calcasieu Parish

We have audited the general purpose financial statements of the District Attorney of the Fourteenth Judicial District, a component unit of the Calcasieu Parish Police Jury, as of and for the year ended December 31, 2002, and have issued our report thereon dated May 24, 2003. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

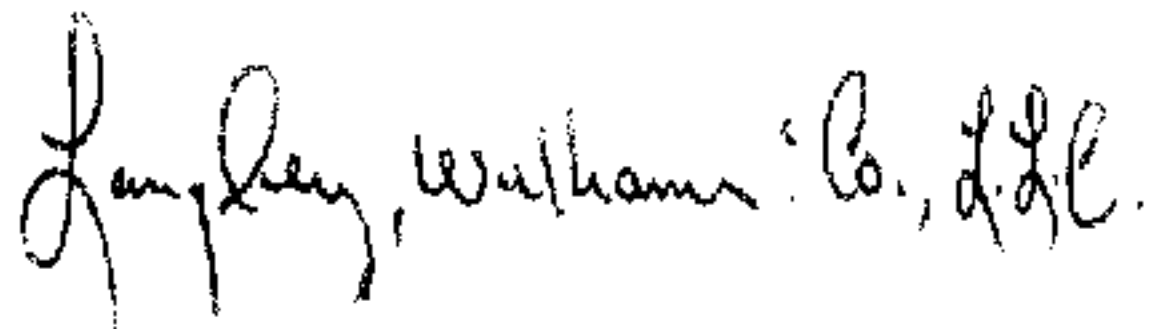

As part of obtaining reasonable assurance about whether the District Attorney of the Fourteenth Judicial District's general purpose financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed an instance of noncompliance that is required to be reported under *Government Auditing Standards*, which is described in the accompanying schedule of findings and questioned costs as item 2002-1.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the District Attorney of the Fourteenth Judicial District's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the general purpose financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness

is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the general purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

This report is intended for the information of the District Attorney of the Fourteenth Judicial District's management, and the Legislative Auditor. However, this report is a matter of public record and its distribution is not limited.

A handwritten signature in black ink, appearing to read "Langley, William C., L.L.C.".

AUDIT FINDINGS AND QUESTIONED COSTS

December 31, 2002

There were no findings and questioned costs in the prior year financial statements.

SUMMARY OF AUDIT RESULTS

1. The auditors' report expresses an unqualified opinion on the general purpose financial statements of the District Attorney of the Fourteenth Judicial District for the year ended December 31, 2002
2. A separate management letter was not issued.
3. Reportable conditions relating to the audit of financial statements are reported in the Independent Auditors' Report on Compliance and Internal Control Over Financial Reporting for the year ended December 31, 2002.
4. No instances of noncompliance material to the general purpose financial statements of the District Attorney of the Fourteenth Judicial District are reported in the Independent Auditors' Report on Compliance and Internal Control Over Financial Reporting for the year ended December 31, 2002.

2002-1 Finding. Budgets were not amended as required by law. State law requires budgets to be monitored and, and if actual expenditures or actual revenues vary unfavorably from budget figures by more than 5%, the budget must be amended prior to the end of the fiscal year. Actual revenues varied unfavorably from budgeted amounts in the Special Revenue Fund Title IV-D.

Recommendation. The auditor recommended that all budgets be monitored and, if necessary, amended.

Management Response. The District Attorney concurs with the auditor finding and will implement auditor's recommendation. However, this particular fund was not amended at the end of the year because the fund was eliminated in September of 2002.
